

## **RULES AND REGULATION**

The school aims at providing a well networked, safe and efficient transport system for the students in the school's neighborhood.

Trained drivers and helpers are provided for every bus / van for the safety of students. The transport service is safe and secure and will pick and drop students at specified stops only. Charges for transport are in accordance to the distance. This is reviewed from time to time and charges are subject to change depending on the prevailing fuel prices.

- The school transport will operate as per the rules prescribed.
- Parents can collect the school transportation details from the school office.
- In case of discontinuation of school transport, one month transport charges have to be paid in lieu thereof.
- For any change in the bus arrangement, written requests stating adequate reasons should be given.
- No student shall be allowed to use the bus one way. The bus fee will be charged both ways.
- Transport fee will be charged for 3 terms in an academic year.
- The transport fee is liable to Change and may be revised at any time during the session.
